

ADDENDUM

Recommendations of the Committee:

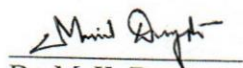

Based on the minutes of the pre bid meeting the following recommendations are suggested:

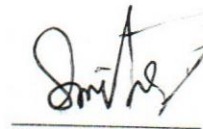

1. The due date for submission of quotations is extended by 2 days. The due time and date for submission would be upto 1500 hrs. on 26.06.2019. Quotations would be opened on the same day at 1600 hrs. Representatives of the bidders may be asked to be present at the opening of the tenders. Firms who have already submitted the quotations may be allowed to submit fresh quotations if they want or else their already submitted quotation would be considered.
2. The time for completion of the work would be extended by 10 days i.e. total 40 days time would be given for submission of the report along with all required documents. A further period of 15 days would be given towards the marking of the assets physically matching with the documents submitted with the report.
3. No further extension would be allowed for the completion of the work.
4. Periodical weekly reports must be submitted along with the progress of the work after the issuance of the work order.
5. All the building plans, which are with us or with NBCC/CPWD will be retrieved and shared with the firm on whom order would be placed. Wherever there are no plans/records available, the firm will be required to physically measure and continue the work.
6. The value of the assets are to be ascertained and both values i.e. WDV and FMV is to be arrived at by the firm (who is entrusted with the order), which may be used in future for valuation and replacement of the assets.
