CORRIGENDUM

Subject : Tender for Cleaning & Helping Personnel at Marine Engineering and Research Institute Mess, Kolkata

Ref: Tender Number MM/MP/Manpower/10 dated 14/12/2018

The following point will form point 11.2.4 **Quoting of Rates** :

11.2.4. Quoting of Rates : Quoting unworkable rate of service charges will not be considered and is liable to be rejected. If the committee decides the rate as unworkable, the service provider will be asked to give write-up about justification as to how it will be able to fulfil its entire obligation with the quoted service charge. If the committee decides that the justification is not workable enough w.r.t quality and effective execution of the contract, the bid will be rejected. The decision of the Committee in this regard will be final and no further correspondence will be entertained. The criteria of quoting unworkable rates will be decided (upon discretion of committee) either partially or wholly on the following factors :

11.2.4.1 The service charge should be more than the total of TDS value &

11.2.4.2 The service charge should include the interest earned on security deposit for 1 year (considering the highest rate of interest given by any nationalised bank as on last date of tender submission) &

11.2.4.3 Service charge should include operational expenses. In case if it is understood by the committee that the operational expenses are too low, the bidder will be asked to justify by giving the calculation as to how the tender (calculation) is a profit-yielding venture for the bidder.

All other terms & Condition remain unchanged. Revised tender is uploaded on website.
